

Learn a LANGUAGE in TWO MONTHS

Esperanto, the world language, is spoken in every country. In just two months you can be speaking to people that cannot speak to you in English.

Why Learn Esperanto?

- **Only 16 rules. They are never broken.**
- **The fastest language to learn.**
- **Meet and stay with people in any country.**
- **Makes learning other languages easier.**
- **The truly international language.**
- **International youth conferences.**
- **Great way to penetrate foreign cultures.**
- **Meet new and interesting people.**
